

An Overview of Speech & Language Objectives PS 162Q - Mrs. Kuperman & Ms. Newman

Our goal for the 2014-2015 school year...

- ✓ Align our lessons and strategies to CCSS and classroom activities
- ✓ Work collaboratively with staff
- ✓ Provide strategies for students with communication difficulties that affect social interaction and classroom success

How speech & language helps your child...

In Reading

- ✓ Lower grades: Provides strategies to improve comprehension and also phonemic awareness skills
- ✓ Upper grades: Provides strategies to improve comprehension

In Writing

- ✓ Lower grades: Provides strategies to help formulate sentences, and formulate grade appropriate paragraphs with details related to the topic
- ✓ Upper grades: Provides strategies to help students plan, organize, and edit work aligned to their in class writing units

In Speaking

- ✓ Lower grades: Provides strategies to help them appropriately engage in conversation by taking turns and participate collaboratively with peers and adults and talk about feelings, thoughts and ideas
- ✓ Upper grades: Provides strategies to help them engage effectively in discussions with peers and clearly express their ideas

In Listening

- ✓ Lower grades: Provides strategies to help students follow directions related to classroom routine, understand information presented orally and answer questions, participate in conversation for multiple exchanges and show appropriate listening skills
- ✓ Upper grades: Provides strategies to help students answer questions about information from a speaker and engage in discussions by offering opinions on information presented by others
